

How it works - Sofa to Bed

To convert your sofa into a sofabed please follow the steps included here.

Should these steps not be followed, and the sofa bed action is forced in the wrong direction it may become bent and inoperable.

Please note that we include with your purchase a 12-month manufacturing guarantee.
This guarantee does not include damage caused by the incorrect use of the sofa bed action.

Step 1

- Remove the seat and back cushions from the sofabed.

Step 2

- Fold out the black fabric cover.
- Pull up the sofabed action using the bar nearest to the front of the sofabed using the metal handle.

DO NOT PULL THE SOFABED ACTION OUT WITH THE REAR BAR

Step 2

- Pull the sofabed action towards you gently until it sits horizontally.
- Pull up the foot bar from the rear of the sofabed action as shown.

Step 4

- Continue to pull the foot bar towards you until it sits on the floor.
- The sofabed is now half open.

Step 5

- Pull the second footbar up and towards you.

Step 6

- Continue to pull the second foot bar towards you until it sits on the floor.
- The sofabed is now ready to use

Step 7

- For sofas with back cushions these can be slotted between the back of the sofa and the sleep area to create a headboard.
- Seat cushions can be stored under the sofa

How it works - Bed to Sofa

To convert your sofabed back into a sofa please follow the steps below.

Step 1

- Take the seat cushions that have been placed between the action and the sofabed out.
- Pull up the bottom end of the bed and fold it onto the mattress.

Step 2

- Fold the foot bar flat onto the back of the mattress.

Step 3

- Fold the mattress away from you a second time, until it sits horizontally.
- Fold the second foot bar down so it sits flat on the mattress

Step 4

- Pick up the front of the mattress using the metal handle.
- Gently press on the rear of the mattress to help.
- The front of the mattress will rock up and the rear rock downwards into the recess.

Step 5

- Slot the front of the sofabed action downwards into the space.
- Cover the sofabed action with the black cloth attached.

Step 6

- Replace the seat and back cushions.
